MEMORANDUM FOR: CIA Management Committee  
THROUGH : Deputy Director for Administration  
SUBJECT : Proposal for Study of Career  
Commitment

26 DEC 1974

1. At the 20 November bi-monthly Office of Medical Services Management Conference with the Deputy Director for Administration, an FY 1975 OMS objective (B 57205) providing for the examination of some aspects of the Agency's subculture was discussed at some length.

2. The OMS at this conference submitted a proposal for the initial effort in this area. It is for a long-range study of career commitment among Agency employees. A copy of this proposal is attached.

3. It is recommended that OMS be provided an opportunity to brief the Management Committee on this proposal.

JOHN R. TIETJEN, M.D.  
Director of Medical Services
